

**ZOR-PAC™ SYSTEMS
SHRINKTAPE
PRODUCT INFORMATION**

PRODUCT DESCRIPTION:

Zor-Pac™ Systems Shrinktape is a polyethylene tape specifically designed as a tough, waterproof, highly conformable product for a wide variety of applications.

PRODUCT APPLICATIONS:

- Holds shrinkfilm in place when positioning for shrinkwrapping
- Use as a patch or repair of “oops” in shrinkfilm
- Repair of hold-down/lifting holes

FEATURES & BENEFITS:

- Coated with a permanent rubber adhesive that provides high adhesion, outstanding quick stick to hard to hold surfaces
- Good low temperature application
- Resistant to chemical deterioration
- Excellent moisture resistance

STORAGE:

Store indoors in carton provided, away from excessive heat

DISPOSAL:

Dispose in compliance with federal, state, and local regulations

PACKAGING:

Rolls – 180’ long in widths of 2”, 4”, and 6”

Colors – Blue, Clear, Green, White

Mil - 9
